

JOHN DEERE

# DOZER BLADES

DB84 | DB96

**WORKSITE PRO™**

COMMERCIAL WORKSITE PRODUCTS

## SPECIFICATIONS

# DB84 / DB96

- Add a Worksite Pro™ Dozer Blade and turn your skid steer or track loader into a compact bulldozer.
- Nothing light-duty about these dozers. Their rugged design delivers maximum uptime in a wide variety of tasks — from stripping clay to finish grading.
- Quik-Tatch™-mounted blade comes standard equipped with reversible cutting edge and skid shoes for long-term durability.
- Power angle and tilt let you make blade adjustments on-the-go for increased versatility and maximum productivity.
- Like all Worksite Pro attachments, these dozer blades are optimized to work with John Deere skid steers and compact track loaders, and are compatible with most competitive models. Plus, they're backed by a one-year warranty and one-of-a-kind parts and service. See your local John Deere skid steer dealer for details.
